2024 THEOPHANY HOUSE BLESSINGS

Our clergy look forward to blessing your home this Theophany season! You may contact the church office to join the list for house blessings. More detailed instructions will be issued after the new year.

Bottles of Holy Water will be available at church after January 6th to take home.

Theophany, one of the oldest and most important Feast days of the Orthodox Church, makes present the manifestation of the Holy Trinity which took place at the Baptism of Christ in the Jordan River. Recognizing rich meaning in this event, Orthodoxy teaches that when Christ was baptized, it not only marked the beginning of its public ministry and revealed the Trinity, but also signified that the entire creation is destined to share in the glory of redemption in Christ. While Christ entered into the Jordan to be baptized, two things were happening: He was identifying Himself with the people He had come to save; and, He was identifying Himself with the whole of Creation which was represented by water. Through His baptism, the Lord renewed the value of the created world and redirected it toward its Creator. Creation is good and belongs to God.

The Great Blessing of Water is held on the eve of the Feast of the Theophany and on the day itself. The blessing not only remembers the event of Our Lord’s baptism and the revelation of the Holy Trinity but also expresses Orthodoxy’s belief that creation is sanctified through Christ. The Blessing affirms that humanity and the created world, of which we are a part, were created to be filled with the sanctifying presence of God. After the solemn blessing, the Holy Water is distributed to the faithful and is used to bless homes during the Theophany season. When the faithful drink the "Holy Water," we are reminded of our own baptism. When the Church blesses an individual, or object, or event with the water, we are affirming that those baptized, their surroundings, and their responsibilities are sanctified through Christ and brought into the Kingdom of the Father through the Spirit.

HABITATION OF HOLINESS
By St. Nektarios of Pentapolis
Translated by Rev. Fr. Peter Chamberas
Available through Narrow Path, the St. Nektarios Church Bookstore

As Abbess Theodosia wrote concerning the founder of her monastery, “St. Nektarios delighted insatiably in the spiritual honey of the doctrines, the mysteries, the worship, the hymnography, the Christian ethics and in general of the Orthodox spiritual life and tradition. He was most meticulous in studying and very precise in applying the divine word, which he then transmitted through his preaching, his writings and primarily his personal example.” This collection gathers some of this spiritual fruit, translated for the first time in English.

This collection includes the following essays:
- Worship in Spirit and Truth
- The Privilege of Loving and Worshiping God
- The Relation of True Freedom with Moral Freedom
- Attaining Salvation Through the Grace of God and the Will of the Human Person
- The Nature and Mission of the Church
- The Priesthood of the Church

The Book is available for a free-will donation. Please consider a $20 offering.

Please contact the church office to place an out-of-town order.
