## Secret Saint Program

Keeping Our College Students Connected to the Community

The Secret Saint Program is designed to support our college students during their time away from home. Like a Secret Pal, students' JOY/HOPE Secret Saint families will send goodies and notes to them throughout the year. Secret Saints will be revealed to students during a special event at the end of each academic year.

To register, see the ***Staying Connected*** section below for more instructions.

**STAYING CONNECTED**
